

VISITING ADDRESS:

Europaweg 875, Havennummer 8202,
3199 LD Rotterdam (Maasvlakte)

(Note: Follow Port Number 8100)

CONNECTING EUROPE

You are (or soon will be) a guest at Hutchison Ports Europe Intermodal (HPEI).
We would like to draw your attention to the important information below.

DIRECTIONS TO HUTCHISON PORTS EUROPE INTERMODAL

Finding our office is straightforward: **simply follow Port Number 8100** on the signage in and around Rotterdam. (Note: our office address is Port Number 8202, but do not follow this number when you are on the Maasvlakte.) The full address is listed in the top right corner of this page.

Our office is located on the premises of the Hutchison Ports ECT Delta terminal, but is situated just outside the terminal itself.

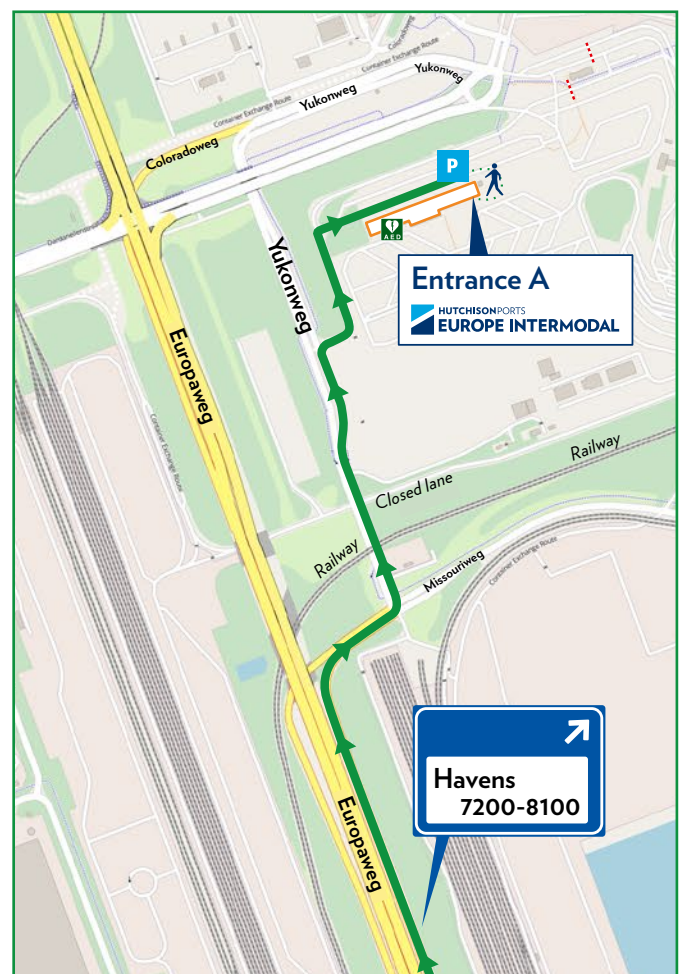

On the Maasvlakte, take the exit 'Havens 7200-8100'. At the end of the exit, turn left towards 'Havens 8100-8210' and drive onto Yukonweg. Cross the railway tracks and the 'closed lane', then take the next right turn; you'll see a sign pointing to parking for Hutchison Ports Europe Intermodal. Follow the road and drive between the building (Building 5) and the parking lot until you reach the end of the building, where you can park. The offices of HPEI are located here (entrance A at the back).

Please note: some navigation systems may not suggest the shortest route to our office, as they are unfamiliar with the numbering system on Europaweg and may direct you off the A15 too early. We recommend checking this before departure or relying solely on the Port number signage.

TRAFFIC AND SECURITY REGULATIONS

Whenever you are on our terrain, you must adhere to our safety rules and code of conduct which include:

- You have to park at designated parking spaces;
- When entering or leaving the terrain and building, you are obligated to cooperate in any searches;
- Smoking is only permitted in designated smoking areas;
- Consuming and/or possessing and/or transporting alcoholic beverages, drugs and/or hallucinogens during your visit is prohibited unless medically prescribed.

QUESTIONS?

Please contact the person you have an appointment with at Hutchison Ports Europe Intermodal with any questions you may have.
